## individual lines

What mood are you in? Who do you want to be?

Whether you want to feel dynamic, sexy, smooth, attractive or fresh, Perfumes by Linnea offers you a variety of fragrances to balance your inner strength and adapts to your mood instantly.

### Premier Line

The PREMIER line offers a variety of fragrances created from high-quality raw materials, enhancing your everyday life with sensuous aromas. These perfumes make you feel special and satisfy the most demanding client.

### Exclusive Line

The perfumes from the EXCLUSIVE line are developed upon request with more costly products, due to the higher percentage of natural ingredients and complex formulas. A small selection of fragrances are available and catered for those who wish to wear an exceptional and distinguished perfume.

### Tailor Made Line

The TAILOR-MADE line is designed for connoisseur's who are looking for a rare experience. One single formula is developed and kept only for that client. Make your dream come true and have a perfume designed only for you with a particular scent, which reflects your personality and taste; "a unique fragrance for a unique person". This individual perfume can also be made to celebrate unforgettable events such as birthdays, christenings, engagements or weddings.

# perumes by winea corporate line

The CORPORATE LINE is meant for hotels, spas, yachts, associations and companies who are looking to enhance their brand identity by adding a new dimension to their concept and image through a custom made fragrance.

Be avant-garde and have your own fragrance designed to imprint your premises, special events and atmosphere with your specific unique scent.

This can be the starting point of a full range of products, specially designed to fit the taste and expectations of your clients.

## Premier Line

### Be Fresh

An energizing composition for women and men. This scent is fresh, uplifting and stimulating with its high proportion of citrus fruits and its cocktail of spices. A minty and fruity accord enhances the slightly green aromatic character of this fragrance. A woody and musky base lifts up these light notes and give a sensual and long lasting effect on the skin.

### Be Tranquil

A sensual and calming fragrance. This scent gives a sensation of peace and tranquillity. Starting out fresh with mandarin and aquatic notes developing into green tea, the heart of this fragrance, with a combination of soft white flowers and Bulgarian rose. In the end, precious woods and musks kiss the composition and shroud the skin for a sensuous effect.

### Be Smooth

Tender and comforting fragrance for a mature, confident and charming man. This scent gives a sensual and comforting feeling. The fresh top evolves into an aromatic and smooth spicy heart. Generous proportions of sandalwood and cedarwood with additions of amber notes makes this fragrance warm, attractive and appealing.

### Be Tropical

A delicious and attractive fragrance for a young woman. Be tropical gives a delicate aroma of the frangipani flower that subtly wraps the aura and sensuality dances on the skin. The fruity character of the exotic flowers and the citrus top is softened and calmed with sweet Indian sandalwood and spirituous vanilla that warm the fresh and floral trail.

## About Linnea

The love for scents and taste, made her embrace a career in the wine business, which later took her into the world of perfume. After finishing her studies in Grasse and becoming a perfumer, she set up her company in Monaco with the aim to create exceptional perfumes in limited quantities. Linnea has her office in central Monaco, which you can visit by appointment only.

## Universe of Linnea

Linnea's perfume collection consists of exceptional products dedicated to a connoisseur's market with a limited production. She develops perfumes for clients looking for something truly personal. Custom-made perfumes with the motto: "Less is more". Passionate about natural and rare ingredients, Linnea selects the best possible quality and then elaborates fragrances with aromas that are long lasting. Depending on your mood, occasion, environment or atmosphere, select your scent for your spa, hotel, yacht or for yourself.
